NOTICE OF PENDENCY AND PROPOSED SETTLEMENT OF CLASS ACTION

TO: ALL PERSONS WHO PURCHASED OR OTHERWISE ACQUIRED J.C. PENNEY COMPANY, INC. ("JCPENNEY" OR THE "COMPANY") COMMON STOCK OR EXCHANGE-TRADED CALL OPTIONS, OR WHO SOLD EXCHANGE-TRADED JCPENNEY PUT OPTIONS ("SECURITIES"), BETWEEN AUGUST 20, 2013 AND SEPTEMBER 26, 2013, INCLUSIVE

PLEASE READ THIS NOTICE CAREFULLY AND IN ITS ENTIRETY. YOUR RIGHTS MAY BE AFFECTED BY PROCEEDINGS IN THIS ACTION. PLEASE NOTE THAT IF YOU ARE A CLASS MEMBER, YOU MAY BE ENTITLED TO SHARE IN THE PROCEEDS OF THE SETTLEMENT DESCRIBED IN THIS NOTICE. TO CLAIM YOUR SHARE OF THIS FUND, YOU MUST SUBMIT A VALID PROOF OF CLAIM AND RELEASE FORM **POSTMARKED OR SUBMITTED ONLINE ON OR BEFORE NOVEMBER 6, 2017.**

A federal court authorized this Notice. This is not a solicitation from a lawyer.

This Notice of Pendency and Proposed Settlement of Class Action ("Notice") has been sent to you pursuant to Rule 23 of the Federal Rules of Civil Procedure and an Order of the United States District Court for the Eastern District of Texas (the "Court"). The purpose of this Notice is to inform you of the proposed settlement of this securities class action litigation (the "Settlement") and of the hearing to be held by the Court to consider the fairness, reasonableness, and adequacy of the Settlement. The Settlement resolves the Class's claims asserted against the Defendants. This Notice describes the rights you may have in connection with the Settlement and what steps you may take in relation to the Settlement and this class action litigation.

The proposed Settlement creates a fund in the amount of Ninety-Seven Million, Five Hundred Thousand Dollars (\$97,500,000.00) in cash and will include interest that accrues on the fund prior to distribution. Based on the information currently available to Plaintiffs and the analysis performed by their damages consultant, it is estimated that if Class Members submit claims for 100% of the Securities eligible for distribution, the estimated average distribution per security will be approximately \$0.64 before deduction of Court-approved fees and expenses. Historically, actual claims rates are less than 100%, which result in higher distributions per security. Your actual recovery from this fund will depend on a number of variables, including the number of claimants, the amount of JCPenney Securities you and they purchased or otherwise acquired and sold, the expense of administering the claims process, and the timing of your purchases, acquisitions and sales, if any (see the Plan of Allocation below for a more detailed description of how the settlement proceeds will be allocated among Class Members).

The Defendants have denied and continue to deny specifically each and all of the claims and contentions alleged in the Action. The issues on which the parties disagree include, but are not limited to: (1) whether the statements allegedly made or facts allegedly omitted were false or misleading, material, or otherwise actionable under the federal securities laws; (2) whether any of the Defendants acted intentionally or recklessly in making any alleged misstatements; (3) the extent to which the various matters that Plaintiffs alleged were materially false or misleading influenced (if at all) the trading price of JCPenney Securities; (4) the extent to which the various allegedly adverse material facts that Plaintiffs alleged were omitted influenced (if at all) the trading price of JCPenney Securities; (5) the extent to which external

factors, such as general market conditions, influenced the trading price of JCPenney Securities; (6) the effect of various market forces influencing the trading price of JCPenney Securities; (7) the amount by which the price of JCPenney Securities was allegedly artificially inflated (if at all); and (8) the appropriate economic model for determining the amount by which the price of JCPenney Securities was allegedly artificially inflated (if at all). Plaintiffs and Defendants do not agree on the average amount of damages per security that would be recoverable if Plaintiffs were to have prevailed on each claim asserted. The Defendants deny that they have violated the federal securities laws or any laws.

Plaintiffs believe that the proposed Settlement is a very good recovery and is in the best interests of the Class. There were significant risks associated with continuing to litigate through trial, and if the Defendants prevailed at trial, the Class would receive nothing. In addition, the amount of damages recoverable by the Class was and is challenged by the Defendants. Recoverable damages in this case are limited to losses caused by conduct actionable under applicable law, and had the Action gone to trial, the Defendants intended to assert that they have not violated the law, that they are not liable, and that any losses of Class Members were caused by non-actionable market, industry, general economic or company-specific factors.

Plaintiffs' Counsel have not received any payment for their services in conducting this Action on behalf of Plaintiffs and the members of the Class, nor have they been paid their litigation expenses. If the Settlement is approved by the Court, Lead Counsel will apply to the Court for attorneys' fees of up to one-third of the settlement proceeds plus expenses not to exceed \$950,000.00, plus interest on such amounts, all of which shall be paid from the Settlement Fund. If the amounts requested by counsel are approved by the Court, the average cost per security would be approximately \$0.22. In addition, the Plaintiffs intend to seek an amount not to exceed \$12,000 in the aggregate for their time and expenses incurred in representing the Class.

This Notice is not an expression of any opinion by the Court about the merits of any of the claims or defenses asserted by any party in this Action or the fairness or adequacy of the proposed Settlement.

For further information regarding this Settlement you may contact: Rick Nelson, c/o Shareholder Relations, Robbins Geller Rudman & Dowd LLP, 655 West Broadway, Suite 1900, San Diego, CA 92101, Telephone: 1-800-449-4900. Please do not call any representative of the Defendants or the Court.

I. NOTICE OF HEARING ON PROPOSED SETTLEMENT

A hearing (the "Settlement Hearing") will be held on November 29, 2017, at 10:00 a.m., before the Honorable K. Nicole Mitchell, United States Magistrate Judge, at the United States District Court for the Eastern District of Texas, William M. Steger Federal Building and United States Courthouse, 211 West Ferguson Street, Room 353, Tyler, TX 75702. The purpose of the Settlement Hearing will be to determine: (1) whether the Settlement consisting of Ninety-Seven Million, Five Hundred Thousand Dollars (\$97,500,000.00) in cash plus accrued interest on the Settlement Fund should be approved as fair, reasonable, and adequate to the Class, which would result in this Action being dismissed with prejudice against the Released Persons as set forth in the Settlement Agreement dated June 14, 2017 (the "Stipulation" or the "Settlement Agreement"); (2) whether the proposed plan to distribute the settlement proceeds (the "Plan of Allocation") is fair, reasonable, and adequate; and (3) whether the application by Lead Counsel for an award of attorneys' fees and expenses should be approved. The Court may adjourn or continue the Settlement Hearing without further notice to the Class.

Plaintiffs acknowledge, and the Class Members shall be deemed by operation of the Judgment to have acknowledged, that the foregoing waiver was separately bargained for and an essential term of the Settlement of which this release is a part.

III. THE LITIGATION

This case is currently pending before the Honorable Robert W. Schroeder III in the United States District Court for the Eastern District of Texas and was brought on behalf of the certified Class of all persons who purchased or otherwise acquired JCPenney common stock or call options, or who sold JCPenney put options, between August 20, 2013, through and including September 26, 2013 (the "Class Period"). The initial complaint was filed on October 1, 2013, and on February 28, 2014, the Court appointed NSPF as

Lead Plaintiff and Robbins Geller Rudman & Dowd LLP as Lead Counsel. On June 8, 2015, Lead Plaintiff filed the Revised Consolidated Complaint for Violation of the Federal Securities Laws (“Complaint”), which alleges that during the Class Period, Defendants made false and misleading statements to investors concerning JCPenney’s liquidity, need for additional financing, sufficiency of inventory, and strength of supplier relationships that artificially inflated JCPenney’s stock price, and those statements resulted in substantial damages to the Class.

From the outset of the Action, Defendants have denied all of these allegations and consistently maintained that they never made any statement to the market that was false or misleading, nor did they ever direct anyone to make public statements that were false or misleading. Defendants believed at the time and still believe that, during the Class Period and at all other times, JCPenney’s public statements were truthful, accurate and not misleading. As a result, Defendants contend that Plaintiffs cannot prove any element of securities fraud, including, but not limited to, falsity, scienter and loss causation.

On September 11, 2015, Magistrate Judge Mitchell issued a report recommending that Defendants’ motion to dismiss be denied. On September 29, 2015, Judge Schneider issued an order adopting Judge Mitchell’s report. Thereafter, Defendants filed an answer denying all material allegations of the Complaint and asserting their defenses. On March 8, 2017, the Court entered an order appointing Plaintiff NSPF as class representative and certifying the Class defined as: “All persons who, between August 20, 2013 and September 26, 2013 (the “Class Period”), purchased or otherwise acquired J.C. Penney Company, Inc. securities, and were damaged thereby. Excluded from the Class are current and former defendants, members of the immediate family of any current or former defendants, directors, officers, subsidiaries and affiliates of J.C. Penney Company, Inc., any person, firm, trust, corporation, officer, director or other individual or entity in which any current or former defendant has a controlling interest, and the legal representatives, affiliates, heirs, successors-in-interest or assigns of any such excluded party.” The pleadings and briefing submitted in connection with class certification made clear that this class definition includes persons who, during the same period, sold JCPenney put options and were damaged thereby.

On April 17, 2017, the parties provisionally agreed to settle the Action for financial consideration in the amount of Ninety-Seven Million, Five Hundred Thousand Dollars (\$97,500,000.00), subject to their ability to reach agreement on several non-monetary terms that were still being negotiated. At that time, Lead Plaintiff was unwilling to stay additional litigation, and Lead Counsel continued to pursue discovery, including by deposing a third-party witness on April 20, 2017. On April 21, 2017, the parties finalized a written term sheet, which documented their agreement to the financial consideration and several contested non-monetary settlement terms. The term sheet provided, among other things, that the mediator was vested with binding authority to promptly resolve a term that was still being negotiated if the parties were unable to resolve it themselves, and it included terms to expedite the preparation and filing of formal settlement documentation. As of April 21, 2017, the parties also agreed to cancel then-scheduled depositions and to seek to stay further litigation activity while they finalized the Settlement Agreement.

IV. CLAIMS OF THE PLAINTIFFS AND BENEFITS OF SETTLEMENT

Plaintiffs and Lead Counsel believe that the claims asserted in the Action have merit. However, Plaintiffs and Lead Counsel recognize and acknowledge the expense and length of continued proceedings necessary to prosecute the Action against the Defendants through trial. Plaintiffs and Lead Counsel also have taken into account the uncertain outcome and the risk of trial, especially in complex matters such as this Action, as well as the risks posed by the difficulties and delays relating to post-trial motions, and potential appeals of the Court’s determination of said motions, or the verdict of a jury. Plaintiffs and Lead Counsel also are aware of the defenses to the securities law violations asserted in the Action. Plaintiffs and Lead Counsel believe that the Settlement set forth in the Settlement Agreement confers substantial benefits upon the Class in light of the circumstances present here. Based on their evaluation, Plaintiffs and Lead Counsel have determined that the Settlement set forth in the Settlement Agreement is in the best interests of the Class.

V. THE DEFENDANTS’ DENIALS OF WRONGDOING AND LIABILITY

The Defendants have denied and continue to deny that they have violated the federal securities laws or any laws and maintain that their conduct was at all times proper and in compliance with all

applicable provisions of law. Defendants have denied and continue to deny specifically each and all of the claims and contentions alleged in the Action, along with all charges of wrongdoing or liability against them arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged, in the Action. Defendants also have denied and continue to deny, *inter alia*, the allegations that any of the Defendants made, knowingly or otherwise, any material misstatements or omissions; that Defendants acted recklessly or with culpable intent; that any member of the Class has suffered any damages; that the price of JCPenney Securities was artificially inflated by reason of the alleged misrepresentations, omissions, or otherwise; or that the members of the Class were harmed by the conduct alleged in the Action or that could have been alleged as part of the Action. In addition, the Defendants maintain that they have meritorious defenses to all claims alleged in the Action.

Nonetheless, taking into account the uncertainty, risks, costs and distraction inherent in any litigation, especially in complex cases such as this Action, Defendants have determined that it is desirable and beneficial to them that the Action be settled in the manner and upon the terms and conditions set forth in the Settlement Agreement. As set forth in paragraphs 8.2-8.3 of the Settlement Agreement, the Settlement Agreement shall in no event be construed as or deemed to be evidence of an admission or concession by Defendants or any of the Released Persons with respect to any claim of any fault or liability or wrongdoing or damage whatsoever.

VI. TERMS OF THE PROPOSED SETTLEMENT

The sum of Ninety-Seven Million, Five Hundred Thousand Dollars (\$97,500,000.00) will be transferred to the Escrow Agent within twenty-one (21) days after (i) entry of preliminary approval order, and (ii) the provision to Defendants of the information necessary to effectuate a transfer of funds. The principal amount of \$97,500,000.00, plus any accrued interest once transferred, constitutes the Settlement Fund. A portion of the settlement proceeds will be used for certain administrative expenses, including costs of printing and mailing this Notice, the cost of publishing a newspaper notice and notice over *Business Wire*, payment of any taxes assessed against the Settlement Fund, and costs associated with the processing of claims submitted. In addition, as explained below, a portion of the Settlement Fund may be awarded by the Court to Lead Counsel as attorneys' fees and for expenses in litigating the case and to Plaintiffs for their costs and expenses in representing the Class. The balance of the Settlement Fund (the "Net Settlement Fund") will be distributed according to the Plan of Allocation described below to Class Members who submit valid and timely Proof of Claim and Release forms.

VII. PLAN OF ALLOCATION

The Net Settlement Fund will be distributed to Class Members who submit valid, timely Proof of Claim and Release forms ("Authorized Claimants") under the Plan of Allocation described below. The Plan of Allocation provides that Authorized Claimants will be eligible to participate in the distribution of the Net Settlement Fund only if Authorized Claimants transacted in JCPenney Securities during the Class Period, August 20, 2013 to September 26, 2013. No distributions will be made to Authorized Claimants who would otherwise receive a distribution of less than \$10.00.

For purposes of determining the amount an Authorized Claimant may recover under the Plan of Allocation, Lead Counsel conferred with their damages consultant and the Plan of Allocation reflects an assessment of the damages that they believe could have been recovered had the Plaintiffs prevailed at trial. Defendants have had, and shall have, no involvement or responsibility for the terms or application of the Plan of Allocation described herein. The Court may approve the Settlement, even if it does not approve the Plan of Allocation.

A. Eligible Securities

The JCPenney Securities for which an Authorized Claimant may be entitled to receive a distribution from the Net Settlement Fund consist of the common stock and exchange-traded call and put options¹ on JCPenney common stock. Exchange-traded options are traded in units called "contracts." Each option contract entitles the holder to 100 shares of the underlying stock upon exercise or expiration, in this case JCPenney common stock. If an option was exercised for JCPenney common stock, the amount paid, or

¹ Excludes those options that expired prior to September 25, 2013, the date of the price reaction to the first alleged corrective disclosure.

proceeds received, upon settlement of the option contract equals the intrinsic value of the option using JCPenney common stock's closing price on the date the option was exercised. At least 95% of the Net Settlement Fund will be allocated to JCPenney common stock and no more than 5% will be allocated to JCPenney options on the common stock.

B. Recognized Loss

To the extent there are sufficient funds in the Net Settlement Fund, each Authorized Claimant will receive an amount equal to the Authorized Claimant's "Recognized Loss," as described below. If, however, as expected, the amount in the Net Settlement Fund is not sufficient to permit payment of the total Recognized Loss of each Authorized Claimant, then each Authorized Claimant shall be paid the percentage of the Net Settlement Fund that each Authorized Claimant's Recognized Loss bears to the total of the Recognized Losses of all Authorized Claimants – *i.e.*, the Authorized Claimant's *pro rata* share of the Net Settlement Fund. Payment in this manner shall be deemed conclusive against all Authorized Claimants.

The proposed Plan of Allocation reflects the Plaintiffs' allegations that over the course of the Class Period, the trading prices of JCPenney Securities were artificially inflated as a result of the Defendants' misrepresentations and omissions concerning this matter.

Estimated damages and the Plan of Allocation were developed based on event study analysis, which determines how much artificial inflation was in the stock price on each day during the Class Period by measuring how much the stock price was inflated as a result of the alleged misrepresentations and omissions and declined as a result of alleged disclosures that corrected the alleged misrepresentations and omissions. Because the alleged corrective disclosures reduced the artificial inflation in stages over the course of the Class Period, the damages suffered by any particular Authorized Claimant depends on when that Authorized Claimant purchased and sold shares, or retained shares beyond the end of the Class Period.

C. Calculation of Recognized Loss

Based on the foregoing, and for purposes of this Settlement only, Recognized Loss will be calculated as follows:

1. Publicly Traded Common Stock

For each share of JCPenney publicly traded common stock purchased or otherwise acquired during any of the periods shown in the left column of Table 1 (below), and:

- a. sold within the same period, the Recognized Loss per share is zero.
- b. sold in a subsequent period, the Recognized Loss per share is the lesser of:
 - i. the artificial inflation per share shown in Table 1; or
 - ii. the difference between the purchase price and the sales price.
- c. retained beyond September 26, 2013 but sold on/or before December 24, 2013, the Recognized Loss per share is the least of:
 - i. the artificial inflation per share shown in Table 1; or
 - ii. the difference between the purchase price and the sales price; or
 - iii. the purchase price per share less the average closing price per share identified in Table 2 (below) for the date the share(s) were sold.²

² Pursuant to Section 21D(e)(1) of the Private Securities Litigation Reform Act of 1995, "in any private action arising under this chapter in which the plaintiff seeks to establish damages by reference to the market price of a security, the award of damages to the plaintiff shall not exceed the difference between the purchase or sale price paid or received, as appropriate, by the plaintiff for the subject security and the mean trading price of that security during the 90-day period beginning on the date on which the information correcting the misstatement or omission that is the basis for the action is disseminated to the market." \$8.31 was the mean (average) daily closing trading price of JCPenney common stock during the 90-day period beginning on September 27, 2013 and ending on December 24, 2013.

- d. retained as of the close of trading on December 24, 2013, the Recognized Loss per share is the lesser of:
 - i. the artificial inflation per share shown in Table 1; or
 - ii. the difference between the purchase price per share and \$8.31 per share.

2. Exchange-Traded Call Options

For exchange-traded call options on JCPenney common stock purchased or otherwise acquired from August 20, 2013 to September 24, 2013, inclusive, and:

- a. closed (through sale, exercise or expiration) before September 24, 2013, the Recognized Loss per call option is zero; or
- b. held at the end of September 24, 2013, the claim per call option is the difference between the price paid for the call option less the proceeds received upon the settlement of the call option contract.

For exchange-traded call options on JCPenney common stock purchased or otherwise acquired from September 25, 2013 to September 26, 2013, inclusive, and:

- c. closed (through sale, exercise or expiration) before the close of trading on September 26, 2013, the Recognized Loss per call option is zero; or
- d. held at the end of September 26, 2013, the claim per call option is the difference between the price paid for the call option less the proceeds received upon the settlement of the call option contract.

For exchange-traded call options on JCPenney common stock written from August 20, 2013 to September 26, 2013, inclusive, the claim per call option is zero.

3. Exchange-Traded Put Options

For exchange-traded put options on JCPenney common stock written from August 20, 2013 to September 24, 2013, inclusive, and:

- a. closed (through purchase, assignment, or expiration) before the close of trading on September 24, 2013, the Recognized Loss per put option is zero; or
- b. held at the end of September 24, 2013, the claim per put option is the difference between the price paid upon settlement of the put option contract less the initial proceeds received upon the sale of the put option contract.

For exchange-traded put options on JCPenney common stock written from September 25, 2013 to September 26, 2013, inclusive, and:

- c. closed (through purchase, assignment, or expiration) prior to the close of trading on September 26, 2013, the Recognized Loss per put option is zero; or
- d. held at the end of September 26, 2013, the claim per put option is the difference between the price paid upon settlement of the put option contract less the initial proceeds received upon the sale of the put option contract.

For exchange-traded put options on JCPenney common stock purchased or otherwise acquired from August 20, 2013 to September 26, 2013, inclusive, the claim per put option is zero.

If a Class Member held JCPenney Securities at the beginning of the Class Period or made multiple purchases, acquisitions or sales of JCPenney Securities during or after the Class Period, the starting point for calculating an Authorized Claimant's Recognized Loss is to match the Authorized Claimant's holdings, purchases and acquisitions to their sales using the FIFO (*i.e.*, first-in-first-out) method. Under the FIFO method, JCPenney Securities sold during the Class Period will be matched, in chronological order first against JCPenney Securities held at the beginning of the Class Period. The remaining sales of JCPenney Securities during the Class Period will then be matched, in chronological order against JCPenney Securities purchased or acquired during the Class Period.

Purchases or acquisitions and sales of JCPenney Securities shall be deemed to have occurred on the "contract" or "trade" date as opposed to the "settlement" or "payment" date. The receipt or grant by gift, inheritance or operation of law of JCPenney Securities during the Class Period shall not be deemed a purchase, acquisition or sale of JCPenney Securities for the calculation of Recognized Loss, unless (i) the donor or decedent purchased or otherwise acquired such shares of JCPenney Securities during the Class Period; (ii) no Proof of Claim and Release was submitted by or on behalf of the donor, on behalf of the

decedent, or by anyone else with respect to such shares of JCPenney Securities; and (iii) it is specifically so provided in the instrument of gift or assignment.

An Authorized Claimant's Recognized Loss shall be the amount used to calculate the Authorized Claimant's *pro rata* share of the Net Settlement Fund. If the sum total of Recognized Loss of all Authorized Claimants who are entitled to receive payment out of the Net Settlement Fund is greater than the Net Settlement Fund, each Authorized Claimant shall receive his, her, or its *pro rata* share of the Net Settlement Fund. The *pro rata* share shall be the Authorized Claimant's Recognized Loss divided by the total of the Recognized Loss of all Authorized Claimants, multiplied by the total amount in the Net Settlement Fund.

The Court has reserved jurisdiction to allow, disallow, or adjust the claim of any Class Member on equitable grounds.

VIII. PARTICIPATION IN THE CLASS

If you fall within the definition of the Class, you are a Class Member unless you elect to be excluded from the Class pursuant to this Notice. If you do not request to be excluded from the Class, you will be bound by any judgment entered with respect to the Settlement in the Action against the Defendants whether or not you file a Proof of Claim and Release form.

If you are a Class Member, you need do nothing (other than timely file a Proof of Claim and Release if you wish to participate in the distribution of the Net Settlement Fund). Your interests will be represented by Lead Counsel. If you choose, you may enter an appearance individually or through your own counsel at your own expense.

TO PARTICIPATE IN THE DISTRIBUTION OF THE NET SETTLEMENT FUND, YOU MUST TIMELY COMPLETE AND RETURN THE PROOF OF CLAIM AND RELEASE THAT ACCOMPANIES THIS NOTICE. The Proof of Claim and Release must be **postmarked (if mailed) or received (if filed electronically) on or before November 6, 2017**. The Proof of Claim and Release may be submitted online at www.jcpennysecuritieslitigation.com. Unless the Court orders otherwise, if you do not timely submit a valid Proof of Claim and Release, you will be barred from receiving any payments from the Net Settlement Fund, but will in all other respects be bound by the provisions of the Settlement Agreement and the Final Judgment.

IX. EXCLUSION FROM THE CLASS

You may request to be excluded from the Class. To do so, you must mail a written request stating that you wish to be excluded from the Class to:

JCPenney Securities Litigation
Claims Administrator
EXCLUSIONS
c/o Gilardi & Co. LLC
3301 Kerner Blvd.
San Rafael, CA 94901

The request for exclusion must state: (1) your name, address, and telephone number; (2) all purchases, acquisitions and sales of JCPenney Securities made from August 20, 2013 through September 26, 2013, inclusive, including the dates and prices of each purchase, acquisition or sale, and the amount of Securities purchased, otherwise acquired or sold; and (3) that you wish to be excluded from the Class. **YOUR EXCLUSION REQUEST MUST BE POSTMARKED ON OR BEFORE NOVEMBER 8, 2017**. If you submit a valid and timely request for exclusion, you shall have no rights under the Settlement, shall not share in the distribution of the Net Settlement Fund, and shall not be bound by the Settlement Agreement or the Judgment.

X. DISMISSAL AND RELEASES

If the proposed Settlement is approved, the Court will enter a Final Judgment. The Judgment will dismiss the Released Claims with prejudice as to all Released Persons as provided in the Settlement Agreement.

The Judgment will provide that all Class Members who have not validly and timely requested to be excluded from the Class shall be deemed to have released and forever discharged all Released Claims, including Unknown Claims, against all Released Persons as provided in the Settlement Agreement.

XI. APPLICATION FOR ATTORNEYS' FEES AND EXPENSES

At the Settlement Hearing, Lead Counsel will request the Court to award attorneys' fees of up to one-third of the Settlement Amount, plus litigation expenses not to exceed \$950,000, plus interest earned on both amounts. Class Members are not personally liable for any such fees, expenses, or compensation. In addition, the Plaintiffs intend to seek an amount not to exceed \$12,000 in the aggregate for their time and expenses incurred in representing the Class.

To date, Plaintiffs' Counsel have not received any payment for their services in conducting this Action on behalf of Plaintiffs and members of the Class, nor have counsel been paid for their expenses. The fee requested by Lead Counsel would compensate counsel for their efforts in achieving the Settlement Fund for the benefit of the Class, and for their risk in undertaking this representation on a contingency basis. The fee requested is within the range of fees awarded to plaintiffs' counsel under similar circumstances in litigation of this type.

XII. CONDITIONS FOR SETTLEMENT

The Settlement is conditioned upon the occurrence of certain events described in the Settlement Agreement. Those events include, among other things: (1) entry of the Judgment by the Court, as provided for in the Settlement Agreement; and (2) expiration of the time to appeal from or alter or amend the Judgment. Pending the Court's consideration of this Settlement, the Court has stayed all proceedings, and Class Members are precluded from bringing or pursuing any litigation that seeks to prosecute the Released Claims.

If, for any reason, any one of the conditions described in the Settlement Agreement is not met, the Settlement Agreement might be terminated and, if terminated, will become null and void, and the Settling Parties will be restored to their respective positions as of April 20, 2017.

XIII. THE RIGHT TO BE HEARD AT THE SETTLEMENT HEARING

Any Class Member who has not validly and timely requested to be excluded from the Class, and who objects to any aspect of the Settlement, the Plan of Allocation, the application for an award of attorneys' fees and expenses or Plaintiffs' application for an award for the reimbursement of their time and expenses, may appear and be heard at the Settlement Hearing.¹ Any such Person must submit and serve a written notice of objection, to be **received on or before November 8, 2017**, by each of the following:
